

Privacy Policy

Effective Date: 05/22/2025

Antares Technology LLC ("we", "us", or "our") respects your privacy. This Privacy Policy explains how our mobile application ("the App") collects, uses, and protects your information.

1. Information We Do Not Collect

We do not collect, store, or share any personal data. Our app:

- Does not require account creation or sign-in
- Does not track or profile users
- Does not collect device identifiers, location data, or analytics

2. Third-Party Services

The App may display advertisements through third-party ad networks (e.g., AdMob). These networks **may request permission to track your activity across other apps and websites** to deliver more relevant ads. This is done via Apple's **App Tracking Transparency (ATT)** framework.

If you grant tracking permission, limited data (such as device advertising ID) may be used by those networks for ad personalization. We do not access or store this information ourselves.

Additionally:

- We use APIs from **Unsplash** and **Pexels** to provide high-quality images. These services may log anonymous request data to serve content, but **no user-identifiable information is sent by us**.

Please refer to the respective third-party privacy policies (e.g., Google AdMob, Unsplash, Pexels) for further details.

3. Subscription and Purchases

In-app purchases (such as ad removal subscriptions) are processed securely by **Apple**. We do not access or store your payment or identity information.

4. Offline Use

The app is fully usable offline. Any images downloaded for offline use are stored locally on your device and are not transmitted to us or any external servers.

5. Children's Privacy

This app is not intended for children under the age of 13. We do not knowingly collect or solicit any personal information from children.

6. Data Security

Since we do not store user data, the risk of data exposure is minimal. However, we follow **industry-standard security practices** for any temporary data handled by Apple or third-party SDKs.

7. Changes to This Policy

We may update this Privacy Policy from time to time. Continued use of the App after any changes means you accept the revised policy.

8. Contact Us

If you have any questions about this Privacy Policy, please contact us at:
